WOMguide Macau launch party

We recently launched <http://macau.womguide.com>, the first bilingual site to WOMguide (word of mouth guide). The guys at WOM put on a good launch party so we didn't have to turn down our invitation.

Jude was lucky enough to be serenaded by the cheeky guitarist, he doesn't look at all uncomfortable.

WOMguide.com is the online version of Hong Kong's best selling non-fiction book.

After launching the [mobile version](#) of the Hong Kong site, we've just launched the [Macau version](#) in two languages to cater to the local and expat communities in Macau.
